## Organic almonds from Naturland project in Spain

Together with our longtime **partners** from **Sicily**, we have direct access to the farm-managed **project "Naturland Almonds"** thanks to their project work. Since the beginning of **2016**, in **Alicante**, the municipality of **Valencia**, there are **1600 trees** in an area of **640 hectares**, which are cared for daily with love and patience of the local farmers. In this way, **hundreds of tons** of tasty almonds are produced.

For us, this gives us the opportunity to offer Naturland-certified goods from this project. **Six years after** the beginning of the cultivation of the trees, we are now able to **deliver...**
